

How to Enjoy the Bible Events Series

You hold in your hands one of the most remarkable Bible study materials ever written and published. This series was first published in English years ago and has been used by many thousands of people in the English-speaking world.

Now, with permission of the original publishers, the series is available in several languages as collections printed under many contemporary titles.

What makes this series so valuable is that each Bible event leads the reader or the group to discover the deepest truths of the Bible history for themselves. This is done through insightful multiple choice questions which draw the readers to enter into the story and find for themselves its meanings and implications and to apply the history to their own lives.

The series is best “taught” by persons who encourage the group to do most of the talking and thinking. The teacher best acts as a leader in which the group discovers its way through the Scriptural events. The teacher may help the group when he or she believes that valuable truths have been overlooked, but the first discoverers should be members of the group itself. This stirs tremendous interest on the part of the group. This also relieves the teacher of the responsibility, under older systems of teaching, to carefully master all the truths of the text and present them in a way that would hopefully interest and “teach” the group.

Almost all teachers report that their classes or groups show much more interest than before and that teaching this series is much easier than it was under the older systems of teaching.

In the same way, individuals who use these booklets for their own personal study find this investigative method much more interesting and meaningful. The reader is invited to sense the drama of each story in his or her own Bible, be it Catholic or Evangelical, and be led to discern the spiritual truths that are packed into each story.

WOMEN AS BLESSED MOTHERS

Luke 1:39-56

It should be really special for a woman to be a mother. It's even better when a woman is convinced that God will use her son or daughter in a very special way, knowing that she becomes an instrument of God.

The angel Gabriel appeared to Mary, telling her that, though she was a virgin, she would become the mother of the Messiah. The angel also reported that Mary's relative, Elizabeth, was pregnant as well. Elizabeth was six months pregnant with the child who would be known as John the Baptist.

Inspiring Women

The pages of the Bible tell stories about many inspiring women. An inspiring woman is one whose soul is brightened by the light of God and whose life attracts others.

There is a tendency in the modern world, as it was in past centuries, to ignore or belittle the brilliant roll of women to change society and the nations for good. Many women doubt the possibility of being inspired and inspiring at the same time, making it impossible for them to impact their world. Paul spoke for women as well as for men when he said, ***I can do all things through Christ who strengthens me. Philippians 4:13***

The stories included in this series of Bible events should inspire every woman, regardless of her station in life. God has an inspiring plan for every woman who looks to Him in faith. A careful study of the following lives may help each woman to discover inspiration for her own life.

A WOMAN SEARCHING FOR TRUTH

1 Kings 10:1-13

The queen of Sheba knew that Solomon was the most prosperous of all kings. She also knew that Jews believed in one God, creator of the universe, and not in several gods as the other nations did. The queen's curiosity led her to travel far to find the truth. In these days, women find the truth of God as it is revealed in God's book, the Bible.

PAIN SURVIVORS

Ruth 1:1-22

We live in a world of sadness and loss. Few people escape from such experiences. The beautiful thing is that God sets people with a special love to be near them. This is shown in the lives of Naomi and Ruth.

THE INFLUENCE OF A WOMAN

Acts 18:1-4, 18-28

In the pages of the Bible, the name Priscilla shines. She and her husband, Aquila, were Paul's companions in missionary work. It's obvious that Priscilla was a person who had a lot of influence. She probably helped her husband to influence others for the sake of the gospel. The experience of this couple with the famous preacher, Apollos, illustrates this truth. Modern women should never underestimate the power of their influence to impact the work of God in their community.

| <input type="checkbox"/> with worry | <input type="checkbox"/> with inaction |

9. How did Esther most clearly demonstrate wisdom?

- ☐ the way she respected Mordecai
- ☐ the way she followed her adopted father's instructions

- ☐ the way she approached the king

10. What situations or circumstances make it most difficult for you to be assertive? What would make it easier for you to "speak up"?

11. In what area of your life do you desire more wisdom? Where would you desire more boldness?

A WISE AND BRAVE WOMAN

Esther 4:6-17; 5:1-8; 7:1-10

Every woman faces difficult situations and even dangerous ones. Sometimes she has to be involved in situations for the benefit of others, whether she wants to or not. The story of Esther should be an inspiration and an example.

Beautiful, young Esther has been chosen to be the new queen of Persia. Haman, an official who despised Jews in general and Mordecai (Esther's cousin and adopted father) in particular, has just persuaded King Xerxes to order the annihilation of all the Jews in the empire. Although Mordecai earlier instructed Esther not to reveal she was a Jew, when he learned of Haman's plot he challenged her to act on behalf of their people.

ESTHER ACTS FOR HER PEOPLE

1. How did Esther respond to Mordecai's first message?

- ☐ with fear
- ☐ with honesty
- ☐ with faith
- ☐ with caution
- ☐ with open eyes

- ___ Women can realize their full potential in the church
- ___ Gender doesn't matter; what matters is using our gifts for Christ

7. What type of role do you have in the church? What role would you like to have?

8. Priscilla and Aquila were a model of partnership in marriage. What do you wish from your husband?

- ☐ that he knows how to make tents
- ☐ that he shares my faith and values
- ☐ that he cares about his appearance
- ☐ that he completes my personality and gifts
- ☐ that I can serve the Lord with him
- ☐ that he likes to do what I like

9. How can you as a couple use your gifts to serve God and others? How would finding a ministry or service project to share affect your marriage?

- ☐ disastrous - We don't have much free time the way it is
- ☐ mostly bad - It would keep our focus off of our marriage
- ☐ mostly good - It would force us to spend more time together
- ☐ wonderful - A common fulfillment would bind us together
- ☐ We are already doing this.

A WOMAN'S FAITH

2 Kings 4:8-37

Real faith is not just to believe, but to act. Faith is proved by actions and God promised to bless those who show real faith in Him. The story of the grieving woman illustrates the spirit of faith that many women have these days.
